**Re: *United States v. Cleon Clark, 22 Cr. 447 (KMK)*  
Letter Motion to Extend Deadline for Probation Final PSR  
and for Adjournment of Sentence**

Dear Judge Karas:

I am appointed to represent defendant Cleon Clark in the above matter. Mr. Clark previously pled guilty and is scheduled to be sentenced on August 1, 2024 at 2:30 pm. The Probation Office's Final Presentence Report ("PSR") is due by June 10, 2024. I am awaiting certain subpoenaed educational, social security and other records to assist my defense expert in preparing a forensic report for mitigation of sentence. It is very likely that I will want to provide a copy of that report to Probation and the Government for their consideration in formulating their sentence recommendations to the Court.

I therefore write to the Court to seek an eight week extension, to August 5, 2024, of the Probation Office's deadline for submission of the defendant's Final PSR and an adjournment of sentence to September 16, 2024 at 10:30 am, which I understand is a convenient time for the Court and the parties. The Government and Probation Office have no objection to this application.

Thank you, Your Honor, for your consideration of this matter.

Granted.

So Ordered.

6/5/24

Very truly yours,

Tanner & Ortega, L.L.P.
